

## Combined Driving: USEF National Point Standings

National Points sections were expanded in 2018 to include competition level; only sections with Morgans are listed.  
Points earned are based on placement of the horse in the competition and number of competitors in event.  
*Italics indicates part-Morgan; "stb" (said to be) indicates breed declared by competitor and is not confirmed outside USEF records.*

Please contact the Morgan Sport Resource for corrections and/or additions.
