

Working Equitation: Confederation for Working Equitation Annual High Points

*Annual High Points/Ranks are determined based on scores from licensed Confederation shows. Points are based on the final scores which is the average percentage of the Dressage and Ease of Handling Scores per single competition. Placings are by points and all trials must be completed for the points to count. **Bold indicates Top Ten finish in division.***

Italics indicates part-Morgan; "stb" (said to be) indicates breed declared by competitor and not confirmed outside of Confederation for Working Equitation membership records.
