

BCT GENTLEMAN IN BLACK

Wildcards Gentleman Jack x WAR Black Indyca
2008; 15.2h/960 lbs

BCT Gentleman in Black (“Manny”) has incredible self carriage that demonstrates his exceptional conformation and freedom of movement. He is solid, yet typey and his look just screams Morgan. Manny is a homozygous black and passes on his beauty, balance and trainability to his offspring.

Unfortunately unable to make his own mark in competition due to injury, Manny’s offspring have begun to make a name for themselves on a National and World level — including top ten placings in the Western Dressage Association’s International Online Challenge, at the WDAA World Championships and the Morgan Grand National & World Championships. They are certainly proving they belong with the best. Being shown by trainers, amateurs and kids, Manny’s foals have the great temperament any wonderful family horse should have and the athleticism and charisma needed for sport and show.
