

WHIPPOORWILL GRANDEE

Whippoorwill Aristocrat x Whippoorwill Calisto
2002; 15 h/1,100 lbs

Strengthen the foundation of your foals! Whippoorwill Grandee is a rare, Smokey Black, 100% Foundation Morgan stallion — one of the last from Mary Jean Vasiloff's Whippoorwill breeding program. Whippoorwill breeding has produced many outstanding sport horses in multiple disciplines, including two Grand Prix Morgans. Grandee's own sire was shown to Third level, as well as placing in the top three in the 2012 Lexington's Sport Horse Amateur Challenge at Second Level with his owner.

Grandee exemplifies all of the outstanding qualities that have made Whippoorwill Morgans so successful: ideal shoulder and hip angles, a strong, short back that ties into a long, powerful hip, a gorgeous, correctly arched neck, beautiful, small, refined head, and a generous long mane and tail. He has a natural extended trot and uphill canter, with a powerful "push" from behind.

Grandee stands at 15 hands with exceptional mass and bone. He has produced blacks, palominos and buckskins by passing on his cream gene.
