

# LITTLEWOOD RIO BRAVADO

Primavera Bravado x Willowrun Hayli  
2001; 14.3 h/1000 lbs

**T** rue Working Western Morgan siring horses with that golden combination of athletic ability, easy disposition and good looks! LittleWood Rio Bravado is easy to ride when we are working cattle, on a trail ride or in the show ring.

One of the most proven Morgan stallions available, "Pepper" has been very competitive in open competition venues in Trail, Team Sorting, Ranch Horse Versatility, Reining, and more. He also has Regional Titles in Reining, Trail, Get of Sire, and Dressage. Pepper and his offspring have been money winners in Team Sorting, Ranch Versatility and Extreme Trail.

Pepper has been consistently producing pretty foals, with excellent dispositions and athletic ability. Many inherit his curly mane and tail. Pepper was bred to be an asset on our ranch, and we think he will be an asset to yours also!
