

## **Working Equitation: WE United Year-End Leaderboards**

Pre-2020, rankings are based on a point system with points earned based on placing, and number of horses in the competition.
For 2020, Dressage and Ease of Handling trials will be averaged together for each competition and awarded points based on averaged score.

Italics indicates part-Morgan; "std" (said to be) indicates breed declared by competitor and not confirmed outside of WE United membership records.

## Please contact the Morgan Sport Resource for corrections and/or additions.
