ACCOMPLISHMENTS.

IMPORTANT—Read before filling out the next section. *Sport disciplines, for the purposes of this website, are those that are timed or scored. Examples include (but are not limited to): dressage, western dressage, eventing, combined driving, jumping, competitive trail, endurance, western working (reining, cutting, etc.), and working equitation. Listed accomplishments must be from competitions that are sanctioned by a discipline's national governing body (i.e. scored by a discipline judge). Please contact the Morgan Sport Resource with questions.*

PLEASE ALSO NOTE—*there are space limitations for the Accomplishments section. Choose most significant (i.e. quality over quantity) and most recent as there are space limitations.*

Stallion's accomplishments in sport: highest level competed, performance highlights and awards, etc.

Noteworthy accomplishments of progeny in sport (if applicable/available/desired), including part-Morgans.

Note: *If the stallion has not been competed, progeny accomplishments will be highlighted instead.*

PHOTOGRAPHS

REQUIRED. Attach (separately) at least three photographs of the stallion and/or his offspring. One photograph must be of the stallion. Photographs may be performance pictures of the stallion and/or his offspring competing in a sport venue, or conformation photos. If the stallion has not been campaigned, a conformation picture is **mandatory**. Conformation pictures of the stallion are **strongly recommended** and must be taken from the side with the horse standing square (**stretched conformation photos will NOT be accepted**). Photos should be print quality, scalable to a width of 8.5 inches. The main advertisement picture will/must be of the stallion.

PLEASE NOTE: Depending upon length of Accomplishment Section the second photograph may not be used.
