

Eventing: United States Eventing Association

Italic indicates part-Morgan; *stb* ("said to be") indicates breed declared by competitor and not confirmed outside of USEA records. Points values for the season are based on USEA data. USEA point totals are based on placement of the horse in the competition and number of event starters. " --- " No points earned; recognized for competing at an advanced level.

Note: "Modified" level was introduced in 2017, and "star" ratings were adjusted to accommodate the new level beginning 2019 (<http://www.discovereventing.com/compet>)
