

ROLLING ACRES LEGEND

Braveheart of Times Past x Times Past Pocahontas
2012; 15 h/1000 lbs

Rolling Acres Legend is a 100% Foundation Clean Blood Lambert stallion from the breeding program of Gary and Dorothy Napier. Legend has soft eyes and is quiet and patient to work with and he loves to be ridden and driven; before being purchased by Beth Meyer for her program, Legend's breeders drove him through many trails for their quiet time to be in God's creation.

Legend is a beautiful jumper and extremely talented dressage ride and can be found competing in Eventing, Dressage, Hunter Jumper and Mountain Trail with Beth. He was one of only four Morgans who qualified and competed at the 2023 American Eventing Championships and has had multiple Championships in Mountain Trail. There is nothing this stallion can't do from riding on the trails, to working cattle, to be an elegant dressage horse to driving down a country road.

Legend stamps his foals with his wonderful personality that even beginners can handle and ride. You won't find a more sensible and quiet stallion than Rolling Acres Legend!
