

Working Equitation: USA Working Equitation

USAWE was formed in 2020, when WE United and the Confederation for Working Equitation consolidated into a single national organization.

The first competitions under the USA Working Equitation national organization were held in 2021.

Leaderboard points are a total of points earned from multiple shows and judges. Please see the USA Working Equitation website (<https://usawe.org/competitions/awards-programs/>)

for an explanation of Leaderboard Point calculations.. **BOLD** indicates National Top 10 Ranking for the competitor's Division/Level.

Points in (parenthesis) are horses that have competed, but have not met the organization criteria to be ranked.

Italics indicates part-Morgan; "stb" (said to be) indicates breed declared by competitor and not confirmed outside of USA Working Equitation membership records.

Please contact the Morgan Sport Resource for corrections and/or additions.
