

Combined Driving: USEF National Point Standings

National Points sections were expanded in 2018 to include competition level; only sections with Morgans are listed.

Points earned are based on placement of the horse in the competition and number of competitors in event.

Italics indicates part-Morgan; "stb" (said to be) indicates breed declared by competitor and is not confirmed outside USEF records.

The 2020 USEF competition year was disrupted due to the effects of the COVID-19 pandemic which resulted in multiple competition cancellations.

Please contact the Morgan Sport Resource for corrections and/or additions.
